This article is being retracted by the Editors and Publishers of *Cogent Food & Agriculture* following publication of the article, after peer review and acceptance for publication in good faith, as we are now aware that some of the data presented in the article was misinterpreted.

We have been informed in our decision-making by the guidance of [COPE guidelines on retractions](#).

The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted”.
